

Live Like a Country Boy Should

Brian Junker

Sheet music for the song "Live Like a Country Boy Should" by Brian Junker. The music is written in G major (one sharp) and 4/4 time. The lyrics are as follows:

Sun-day mor-ning break fast is a cus-tom to live by. Put ba-con on the grid-dle and get
sau-sage on the fry. Flap jacks with mo-la-a-ses and cof-fee steam-ing hot, these
things re-mind me of a time that most folk have for-got. Down by the ri-ver there's an
old oak tree, whose trunk splits in two right from the foot. There I've pitched my tent, got the
fire glow-ing red; I'll live like a coun-try boy should.

The sheet music includes chord markings: G, C, D7, C, G, D7, C, G, Em, G, C, G, D7, G.

2. At the crack of dawn on a Monday clear and blue,
I stride around the camp and have a look what there's to do,
Early rising is my way to keep the senses sharp,
These woods require an eagle eye,
I've taken that to heart.
