VERSE

Bm

On a Fri - day af - ter - noon look - in' at roof-tops,
Wai - tin' for a change of pace to show up,
Star - in' out the
No one seems to

6 G/F♯ Em

win - dows till the sun drops, see the wind a - blow-in', think - in'
bring the things we - know up, You can say hel - lo, say good -

11 Bm Em Bm

un - sub - stan - tial thoughts, as I grow o-l'd.
bye be - fore you go, and it's all ov-er.

CHORUS

17 D A Em

All ov - er a - gain, is it "Fare theewell, my friend"? First I saw you from a

23 Bm G A Bm G

dis-tance, then I moved on clos - er in, clos-er i - i - i-in. clos-er i -

31 A Bm

i - i - in.

Something tells me everything is diff'rent,
Ever since the weather turned I feel it,
People lookin' 'round,
Never list'nning to the sounds,
Of their own stories.

On an early Monday morning I'm back at it,
Takin' care of business that I hadn't,
You can give a call,
Take a break till evening falls,
And it's all over.
